

Industrial electrical equipment's leader

is looking for a m/f

Inside Sales Engineer

Reference EC746

THE COMPANY

Based in Walloon Brabant, but operating in the Benelux market, our client is specialized in the development, production and sales of electrical equipment's for industrial processes.

The company is part of a well-known international brand with world-wide production and facilities.

Due to its actual growth, the company is actively searching for an Inside Sales Engineer.

THE POSITION

- You give advice and answers to technical and commercial questions of customers.
- You write and document technical and commercial offers together with colleagues and factories
- You deeply analyze the specifications of customer's projects and you summarize them in order to write the definitive offer
- You are in charge of the follow-up on running offers and projects
- You participate actively in maintaining and improving the products and quality controls
- You may visit customers upon request
- You have daily contacts with the manufactures of the company throughout the world
- You have daily contacts with outside sales, logistics and financial department
- You check on a technical and administrative basis the order confirmations
- You participate actively in sales meetings

More details on demand.

PROFILE

- You have a Master degree in mechanics, electricity, electro-mechanics,...
- A good knowledge in electrical motors and / or frequency drives is an advantage.
- You have a relevant experience in a commercial position in a technical environment.
- You can build a network with people in different activities in different functions (engineering, purchase, maintenance,...).
- You are independent and enthusiastic, but also a team player who can communicate easily with your colleagues.
- You are not afraid to do some pioneering on the market and to search actively for new opportunities on the market.
- You are in Dutch and French with a deep knowledge of English.
- MS Office knowledge is requested.
- SAP knowledge is an advantage.

OFFER

A stable and rewarding job in a pleasant work environment, within a dynamic company that attaches great importance to relationships and respect.

The hired person can count on an indefinite contract with real career possibilities as well as an attractive salary associated with various extra-legal benefits.

You will also benefit from a training period to familiarize yourself with the specificities of the company and to have the means necessary for the function.

APPLY

If you match the profile and if you are motivated to successfully meet this challenge, please send your resume and cover letter to: eric.croisy@adva-consult.com
