

Industrial electrical equipment's leader

is looking for a m/f

ICT Collaborator

Reference EC747

THE COMPANY

Based in Walloon Brabant, but operating in the Benelux market, our client is specialized in the development, production and sales of electrical equipment's for industrial processes.
The company is part of a well-known international brand with world-wide production and facilities.

Due to its actual growth, the company is actively searching for an ICT Collaborator.

THE POSITION

- A close interaction with the local staff for any question related to IT
 - Installation new PC, Cisco phone, mobile phone, warehouse-scanner etc.
 - Help with software questions (mainly Excel, Outlook, OneNote, etc.)
- Support IT projects (hardware and software) + organize trainings
 - New project 2021: electronic invoicing and SAP update for consignment stock.
 - DBM
- Coordination of the infrastructure, network and system services (in alignment with the Corporative IT rules)
- Create IT profiles of every user.
- Plan and coordinate maintenance schedules of the system landscape
 - Map all info in our internal Kace management information system
- Coordinate activities with (local) service providers
- Standardize, map and identify opportunities for optimization of business processes

PROFILE

- You have a degree in IT (Master or Bachelor)
- You have experience in a similar position
- You are independent and enthusiast with communicative skills
- You have analytical skills and conceptual thinking
- You are fluent in English (written and spoken) with good knowledge of Dutch and French.
- Besides hardware, you are also experienced in software

OFFER

A stable and rewarding job in a pleasant work environment, within a dynamic company that attaches great importance to relationships and respect.

The hired person can count on an indefinite contract with real career possibilities as well as an attractive salary associated with various extra-legal benefits.

You will also benefit from a training period to familiarize yourself with the specificities of the company and to have the means necessary for the function.
